Newark Bears Trim Red Sox In Close Game

Jimmy Walsh's New Nine of International Players Welcomed by 9,000 Fans

Back from a three weeks' training trip, the Newark Bears made an auspicious début before a crowd of 9,000 fans by taking the Boston Red Sox into camp yesterday afternoon at Harrison Field to the tune of 6 to 5.

Neither team was able to do much in the opening innings, but in the fifth cession the Red Sox found the delivery of Jack Harper for two hits and one run. Two doubles by Pittenger, the most promising of the Red Sox recruits, and Menosky did the trick.

The Bears came back in their half of the fifth, however, and shoved five tallies across the plate, touching Thormahlen, who relieved Jones, for four safe blows. Harper walked and Shields bunted. Both runners were safe when Thormahlen threw to second in an effort to get Harper. Riggs followed with another bunt, filling the Manager Limmy Walker of Stripe. rip, the Newark Bears made an aus-

Krumenaker hit to Thormahlen and Walsh was caught at the plate. Smith singled to right, Krumenaker going to third and scoring when Ruel heaved one wild to third. The Sox tied the count in the sixth on five safeties. Singles by Hendricks, Collins and Hiller, doubles by Pittenger and Karr and a sacrifice fly by Ruel did the trick.
